

**Have you asked yourself any of the questions below...**

- *What skills should I develop and fine tune to achieve success in my career and profession?*
- *How should I spend my day effectively; How do I make my decisions?*
- *What separates "leaders" from "followers"?*
- *How can I make my "hobby" into a "profession"?*
- *What should I do to make significant change to the people or environment around me?*
- *Is there a "short-cut" towards "stardom"?*
- *What opportunities are available in Canada to succeed as an entrepreneur?*
- *Has the multi-cultural environment in Canada provided me an edge to succeed?*
- *Do I have control about my future?*
- *Am I too young to think about the above questions?*
