Empowering the Youth of Today

ABC South Asian Youth Conference (SAYC)

The ABC South Asian Youth Chapter proudly offers a one day conference titled “Empowering the Youth of Today”. The conference will offer participating youth delegates the opportunity to expand their social network, understand the transformative role of various cultures in Canada, gain valuable management and leadership skills, dialogue with peers about the social and political issues of the day and cultivate skills necessary to be successful in their academic and professional careers.

Who is encouraged to attend this conference?

“Empowering the Youth of Today” will explore many of the current issues relevant to high school and university students, as well as post-university and young professionals. We encourage youth and adults from ages 14 to 35 and all cultural spectrums to attend.

What is the cost to attend ?

Due to the generous contributions from Agarwals Based in Canada (ABC) and our various sponsors, we are able to offer this one day conference for only \$25 per person at early bird prices before August 15, 2010 and \$30 per person thereafter. The registration fee covers continental breakfast, Italian lunch, interactions with speakers, conference bag, and educational materials.

What will I get from this Conference ?

You will interact with speakers who have achieved tremendous success in their own profession in Canada. You will also take part and be a full participant in topics of current interest and issues pertinent to multi cultural youths and young professionals of today. You will meet delegates from diverse background and cultures but still sharing similar thoughts and issues.
